

# KÄRCHER

makes a difference

## MAXIMUM CLEAN. SIMPLE TO RUN.

Well rounded, ideal for multiple cleaning applications.

PROFESSIONAL | BD 50/50 C CLASSIC BP

# Professional cleaning, now made easier.

Designed to meet all of your scrubbing needs without breaking the bank. The economically focused BD 50/50 C Classic Bp provides you all the cleaning power to take on large jobs easily. All controls have been simplified so any operator can quickly learn how to use this machine to perfectly clean your floors. This reduces training time and increases consistency between operators. For maximum flexibility we designed the brush and pad changeover to be quick and simple with an east-to-use integrated T-bar handle. Our standard Home Base kit allows for easy transport of other commonly used items right on the machine reducing trips back to the janitors closet. Ask for a test drive to see how the BD 50/50 C Classic Bp is the right choice for your cleaning needs.

## 1 Easy to use

- Three cleaning modes make perfect cleaning a breeze
- Rigid brush T-handle enables quick change from pad to brush
- Battery is easy to change

## 2 Great value

- Packed with a lot of high quality, proven features at a great price
- Large tank allows means less trips back to the janitor's closet saving valuable time

## 3 Operator friendly

- Slim design allows for clear view of what is ahead
- Home base kit allows for carrying of other essentials, resulting in less trips to the supply closet

## 4 Simple to operate

- Three cleaning modes for simplicity and ease of training
- Color-coded controls make it clear what is for daily operation and what is for maintenance
